

## The Main Stage

The Main Stage offers endless possibilities for event planning. From sit down dinners to cocktail parties, the stage is designed to be extremely versatile. With sophisticated sound and lighting technology, a range of multi-media and special effects on stage is available to event organisers. 'Reveals' are a popular and impressive way to introduce events and connect with an audience.

The Auditorium contains 1567 seats and is the ideal venue for concerts, shows, conferences, symposiums and ceremonies.
